12 June 1967

MEMORANDUM

SUBJECT: Proposed DDI and DDS&T Support to
D/DCI/NIPE

1. In order to provide NIPE with coordinated, authoritative, and responsible support from the Directorates of Intelligence and Science and Technology, the following procedures will apply:

a. The D/DCI/NIPE will place his requests for such support directly on the Chief, CGS.

b. The Chief, CGS, will review and analyze such requests and recommend to the DDI and the DDS&T appropriate action.

c. The DDI and the DDS&T will assign responsibility for providing such support to the appropriate component.

d. Chief, CGS, will monitor progress on these requests and provide status reports to the DDI, the DDS&T, and D/DCI/NIPE.

e. Responses to these requests will be forwarded through the chain of command to the DDI or the DDS&T, as appropriate.

f. After reviewing the responses, the DDI or the DDS&T will forward them to D/DCI/NIPE.

The general topics which are appropriate for DDI and DDS&T support to D/DCI/NIPE are as follows:

- a. Evaluating information actually collected or potentially collectible by various intelligence sources.
- b. Determining the needs for information and assigning priorities to these needs.
- c. Suggesting techniques and sources likely to provide the information needed.
- d. Providing background material on the significance of the information.
- e. Providing briefings and briefing material for high-level bodies, such as the President's Foreign Intelligence Advisory Board.
- f. Providing background information on those collection, processing, and production activities for which the DDI and the DDS&T are responsible.
